

James City County Parks & Recreation Dog Station Sponsorship Program

Dog waste is a leading cause of pollution in our waterways. Help James City County keep our parks and waterways clean by sponsoring a dog waste station! The Parks & Recreation Department has installed 27 dog waste stations, which provide free biodegradable pet waste bags to park visitors. For only \$250 a year, your business or organization can sponsor a dog station in one of our parks. Your contribution will be acknowledged with a sign on the dog station of your choice (see examples below). Space is limited, act now to secure your preferred location!

PENINSULA ANIMAL REFERRAL CENTER
24hr emergency care & specialty care
1120 George Washington Memorial Hwy, Yorktown, VA 23693 near exit 2588
