

Your James City County Neighborhood may be Eligible for.... **A FREE Pet Waste Station!!!!**

James City County loves dogs! So the James City County Stormwater Division, in conjunction with the Clean Water Heritage Program, is offering free pet waste stations to neighborhoods based on the following criteria:

1. The intended use of the pet waste station within the neighborhood,
2. The proposed neighborhood information and education efforts, and
3. The ability of the neighborhood to operate and maintain the unit.

Poop Pollutes

*Neighborhoods. Friendships. The Beach. Parks and school yards.
Lakes and streams.*

- No one likes to step in pet waste and spread it into their home, car, or business.
- Animal waste contains harmful organisms that can be transmitted to other animals and humans.
- Roundworms and hookworms deposited by infected animals can live in the soil for long periods of time and can be transmitted to other animals.
- Stormwater carries pet waste and other pollutants directly into our waterways.
- Your neighbors will appreciate your good manners.
