

Comprehensive Plan Update

December 2019 Newsletter

jamescitycountyva.gov/engage2045

James City County is launching an ambitious effort to explore and affirm the vision for our community for the next 25 years.

Summit on the Future Live Turnout

As some of you may already know, James City County is in the beginning stages of the Engage 2045 process to update the Comprehensive Plan. To kick off community engagement, the Community Participation Team (CPT) and Planning Division recently held the Summit on the Future and used live polling and various station activities to understand the community's aspirations and hopes.

Though the weather was cold and rainy, an estimated 120 people participated at six locations across the county. This surpassed similar turnout for similar early-stage comprehensive plan update forums in the past.

Questionnaire & Visual Preference Survey

Open now through Dec. 18, 2019

Help us reach peak participation! [Complete the online questionnaire and visual preference survey](#) used as part of the Summit. Both are open and will be available online until Dec. 18.

[Watch the opening presentation from the Summit on YouTube.](#)

Take advantage of this opportunity to share your ideas and shape your community! Share this with your community groups, your neighbors and friends.

What is the Comprehensive Plan?

Have you ever wondered why certain areas are developed, while others are not? How we still have rural landscapes amidst pressures for growth? The answer is careful community planning. The Comprehensive Plan is the County's guide for future growth and change. Its goals, strategies and actions outline tangible steps to implement the vision for all aspects of the community.
