6. WITHDRAWAL OF BIDS/PROPOSALS:

A bidder/offeror for a contract other than for public construction may request withdrawal of his or her bid/proposal under the following circumstances:

a. Bids/Proposals may be withdrawn on written request from the Bidder/offeror received at the address shown in the solicitation prior to the time of acceptance.

b. Requests for withdrawal of bids/proposals after opening of such bids/proposals but prior to award shall be transmitted to the County Purchasing Director, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the County may exercise its right of collection.

c. Bids/proposals shall not be withdrawn after award of a contract or issuance of a purchase order. No plea or claim of mistake in a solicitation or resulting contract or purchase order shall be available as a defense in any legal proceeding brought upon a contract or purchase order awarded to a bidder/offeror as a result of the breach or nonperformance of such contract or purchase order.

No Bid/Proposal may be withdrawn under this paragraph when the result would be the awarding of the contract on another Bid/Proposal of the same
bidder/offeror or of another bidder/offeror in which the ownership of the withdrawing bidder/offeror is more than five percent. In the case of Invitation for Bids, if a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid. No bidder/offeror who is permitted to withdraw a bid/proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid/proposal was submitted.

7. ERRORS IN BIDS/PROPOSALS – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids/proposals must be initialed by the bidder/offeror. Carelessness in quoting prices, or in preparation of bid/proposal otherwise, will not relieve the Bidder/Offeror of his responsibilities to provide the good or service. Bidders/Offerors are cautioned to recheck their bids/proposals for possible errors. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.

8. IDENTIFICATION OF BID/PROPOSAL ENVELOPE: The signed bid/proposal and requested copies should be returned in a separate envelope or package, sealed and identified with the following information:

ADDRESS AS INDICATED ON PAGE 1
IFB/RFP NUMBER
TITLE
BID/PROPOSAL DUE DATE AND TIME
VENDOR NAME AND COMPLETE MAILING ADDRESS (RETURN ADDRESS)

If a bid/proposal is not addressed with the information as shown above, the Bidder/Offeror takes the risk that the envelope may be inadvertently opened and the information compromised, which may cause the bid/proposal to be disqualified. Bids/Proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.

9. ACCEPTANCE OF BIDS/PROPOSALS: Unless otherwise specified, all formal bids/proposals submitted shall be valid for a minimum period of ninety (90) calendar days following the date established for acceptance. At the end of the ninety (90) calendar days the bid/proposal may be withdrawn at the written request of the Bidder/Offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.

10. PRICING:

a. Bidder warrants by virtue of bidding that prices, terms, and conditions quoted in his bid will be firm for acceptance for a period of ninety (90) days from the date of bid opening unless otherwise stated by the County or Bidder.

b. Prices should be stated in units of quantity as specified in the bid form.

c. Life cycle cost analysis may be considered when determining the lowest responsive and responsible bid. This analysis may consider, in addition to purchase price, any proposed upward or downward escalator clauses proposed for the initial contract term and any potential renewal terms; operating and related costs over the life of the item including maintenance, down time, energy costs, salvage value, etc.

d. Bid prices shall be for complete installation ready for the County’s use and shall include all applicable freight and installation charges; extra charges will not be allowed.

e. When an annual contract is not requested by the County, and the bid is for products or services to be delivered on a one-time only or staggered basis, only firm pricing shall be given consideration. General terms such as “price in effect at time of delivery” shall not be considered for award.

11. CONDITIONAL BIDS: Conditional bids are subject to rejection in whole or in part if the price, quality, quantity, delivery, necessary assurances, performance of the contract and other factors deemed important to the solicitation will be affected.

12. OPENING: At the time fixed for the opening of responses to a bid, all bids will be opened and the names of the bidders and the amount bid shall be read aloud and made readily available to the public.

If a public opening of a Request for Proposals is held, only the names of the offerors will be read publicly.

13. RESPONSE TO SOLICITATIONS: In the event a vendor cannot submit a bid on a solicitation, the vendor is requested to return the solicitation cover sheet with an explanation as to why the vendor is unable to bid on these requirements. Because of the large number of firms listed on the County’s Bidders List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. Such deletion will be made only after formal notification of the intent to remove the firm from the County’s Bidder’s List.

14. BIDDER INTERESTED IN MORE THAN ONE BID: If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.

15. TAX EXEMPTION: The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. Tax
exemption certificates will be furnished if requested by the Bidder/Offeror.

16. DEBARMENT STATUS: By submitting their bids/proposals, Bidders/Offerors certify that they are not currently debarred by James City County, the Commonwealth of Virginia, the Federal Government, any local government or government agency/entity/authority from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

17. ETHICS IN PUBLIC CONTRACTING: The provisions contained in Sections 2.2-4367 through 2.2-4377, Code of Virginia, as amended, shall be applicable to all contracts solicited or entered into by James City County. The Bidder/Offeror certifies that to the best of his knowledge, no employee of the County, nor any member thereof, nor any public agency or official impacted by the solicitation or resulting contract has any pecuniary interest in the business of the Bidder/Offeror, and that no person associated with the Bidder/Offeror has any interest that would conflict in any manner with the performance of the contract resulting from this solicitation.

18. PERFORMANCE BOND: When requested in the bid, the County shall require the successful bidder to furnish a performance bond and labor and material payment bond with surety satisfactory to the County Attorney in the amount of the contract price at a time of or prior to execution of the contract.

19. NO CONTACT POLICY: No Bidder/Offeror shall initiate or otherwise have contact related to the solicitation with any County employee, other than the Purchasing Office, after the date and time established for receipt of bids/proposals. Any contact initiated by a Bidder/Offeror with any County representative, other than the Purchasing Office, concerning this solicitation is prohibited and may cause the disqualification of the Bidder/Offeror from this procurement process.

20. LICENSES, PERMITS, AND FEES: All bids submitted shall have included a list of any business and professional licenses, permits, or fees required by James City County or the Commonwealth of Virginia.

The Bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable James City County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding, only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data to enable James City County to determine if the product offered meets the requirements of the solicitation may result in the bid being declared non-responsive. Unless the Bidder clearly indicates in its bid/proposal that the product offered is “equal” product, such bid/proposal will be considered to be the brand name product referenced in the solicitation.

22. FORMAL SPECIFICATIONS: When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bid will be required to furnish articles in conformity with that specification.

23. OMISSIONS & DISCREPANCIES: Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications.

The Bidder/Offeror shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material or workmanship to be in accordance with laws, ordinances, building codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of those specifications.

24. EQUIPMENT STANDARDS. Any equipment delivered shall be standard new equipment, latest model, the best quality, and the highest grade of equipment, unless otherwise specifically stated in bid. No guarantee or warranty is given or implied by James City County as to the total amount that may not be purchased from any resulting contracts. These quantities are for Bidder’s information only and will be used for tabulation and presentation of bid.
